

REST & RESET
Self Care Is Self Love

**BLACK WOMEN'S POLICY CENTER |
SPONSORSHIP OPPORTUNITIES**

MISSION

The Black Women's Policy Center centers, empowers, and acknowledges the full experience of Black women. We aim to both advocate and shift systems change work to focus on the intersectionality of gender and race.

The Black Women's Policy Center, headquartered in McKeesport, Pennsylvania, will move the dial and change the conditions in which all Black women and girls go from surviving to thriving. We need a place that not only mobilizes all Black women to build collective power but also embraces the whole Black woman. It is supported by The Heinz Endowments, the Women & Girls Foundation, the Pittsburgh Foundation, FISA Foundation, the Hillman Family Foundations, Jefferson Regional Foundation and the Opportunity Fund.
